# TOM SMITH

*The Home of Christmas*

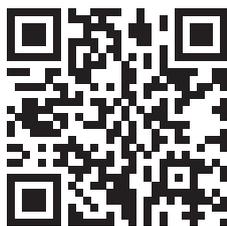

For more than 177 years, Tom Smith™ has been at the heart of Christmas celebrations.

As the original creator of the Christmas cracker in 1847,  
our story is woven through generations of festive tradition — bringing joy,  
laughter, and beautifully crafted design to homes around the world.

The spirit of Tom Smith extends beyond the festive season. Through our long-standing partnership with Trussell, a UK-wide anti-poverty charity and community of food banks, Tom Smith is proud to have contributed £406,000 in support — funds raised through the sale of our Christmas crackers.

Together, we're helping to make Christmas brighter for everyone.

# Classic Santa

Drawn from the Tom Smith archives, this hand-sketched portrayal of Santa captures the heart of Christmas storytelling. Santa by the fire eating a mince pie, reading his Christmas list, sharing a festive moment with Mrs Claus; Framed by elegant foliage, opulent text and silver accents, each design evokes warmth, nostalgia, and the joy of festive tradition.
